

Dear Parents/Guardians,

I would like to introduce you to our class behavior system. In our 3 year old Tuesday/Thursday class we will be using a positive behavior system. Children will receive an instant reward for positive behavior. This may be in the form of praise, a stamp or sticker. Each child will even have their own sticker board to collect 10 stickers. When they reach 10 stickers they may earn a prize from our classroom treasure box as an incentive.

Children that are having a hard time following directions or listening will be redirected. If redirection does not work then the child will use our sit and watch chair to take a few minutes to get themselves ready to rejoin the group in an appropriate manner. The sit and watch chair will not exceed more than 3 minutes and a teacher will be there to guide and encourage a positive transition if needed.

It is my goal to create a safe, positive learning environment in our classroom. Your support and encouragement at home is appreciated. I thank you in advance for all of your effort as we prepare your child for a year of fun and engaging learning experiences!
