

Welcome Purple Room

Dear Parents,

Welcome to the 2018-2019 school year at Bethesda Child Development Center. I am very excited to be your child's teacher and look forward to an enriching and rewarding school year.

My objectives this year are to help better prepare your child for kindergarten emotionally, socially, physically, and academically in a positive and nurturing environment. I hope to make your child's learning experience a fun and exciting one, and I hope to instill a love of learning that will last throughout your child's years of schooling.

Please remember to bring the purple folder everyday as it is our way of communicating anything important and for sending student work home.

I am looking forward to working with your child and am excited to be a part of his/her growth and development throughout the school year.

Sincerely,

Stacy Bosco
